

GDX Audio Handsets

These handsets provide 2-way audio to the caller. This provides a more secure method to identify a caller before access is granted to a building or secure area.

- Available in 2-button (Enter & Privacy) and 3-button (Enter, Privacy & Concierge) models
- Raised and tactile 20mm buttons for DDA compliance
- Buttons LED-illuminated indicate the status of the handset
- Adjustable ring tone volume as standard
